

BIRD BATH WITH FEEDING TABLE

Attracts a variety of wild birds

Read all instructions carefully before assembling and using this bird bath. Retain them for future reference and if you are passing this product to a third party, always make sure this documentation is included.

1 Intended Use

This product is intended as an outdoor bird bath and feeder for wild birds. This item is only designed for private use, not for commercial use.

2 Safety Information

- Keep children away during the assembly of the bird feeding table.
- Product contains small parts- choking hazard!
- This product is not a toy. Children should not play with this product.
- Do not climb on this bird feeding table.
- Regularly inspect this product for damage and wear. Check connections and joints and tighten all the fittings if necessary. Do not use if damaged, unstable or unsafe.
- This bird feeding table should be installed on stable, level and horizontal surface.
- Choose the location away from predators and large animals.

3 Hygiene

- Monitor your food supply carefully. Reduce the amount of food if it takes days to clear.
- Keep the surrounding areas clean and free from droppings or mouldy food.
- Clean the feeder regularly, follow the cleaning instructions below.
- ALWAYS wear disposable gloves when filling, cleaning or moving bird feeders. Wash your hands immediately.
- Do not let children play with or touch the bird feeders.

4 Installation and Location Information

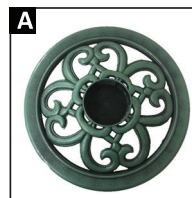

- Install the bird feeding table on a solid, stable and horizontal surface away from foot traffic and children play areas.
- Ensure the feeder is secure to prevent it from falling. Secure to the ground in a best possible way depending on the surface and location. On grass, the feeder can be secured with ground pegs - Note these are not included with this set and must be purchased separately.
- Relocate the feeder from time to time to help to deter predators.

5 Cleaning , storage and maintenance

- To keep wild birds healthy, clean the bird feeding table regularly.
- Clean the surfaces with slightly dampened, lint-free cloth.
- In the event of severe soiling use mild cleaning solution or disinfectant, ensure that all stubborn dirt is removed.
- To prevent mould, dry the product with a dry cloth after cleaning with liquids.
- Allow the feeding table to dry completely before storage to avoid mould or damage. Store this item in a dry, dust-free place away from direct sunlight or other sources of heat and away from traffic to avoid the product becoming a tripping hazard.

1
Screw the lower stem (B) onto the base (A).

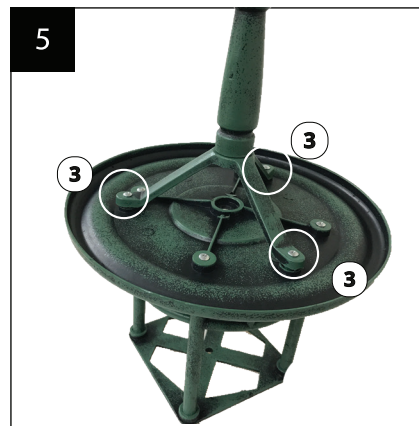

2
Screw the upper stem (B) onto the lower stem.

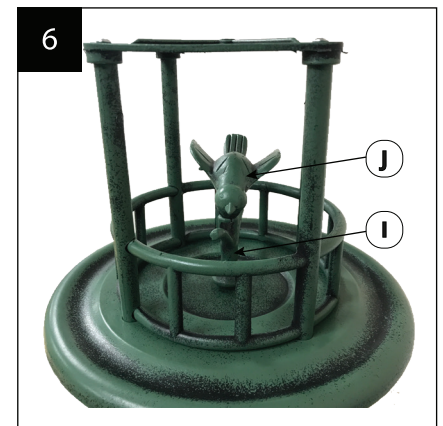

3
Assemble the table support by screwing the arms (E) to the post (D) using 1x longer screw (1).

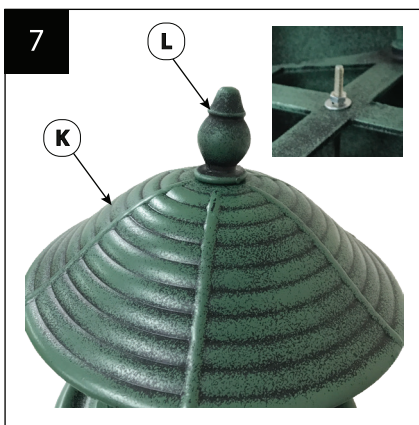

4
Assemble the feeding table as shown using 4x table sides, 1x roof support and 8x small screws (3). Secure the sides from underneath with screws.

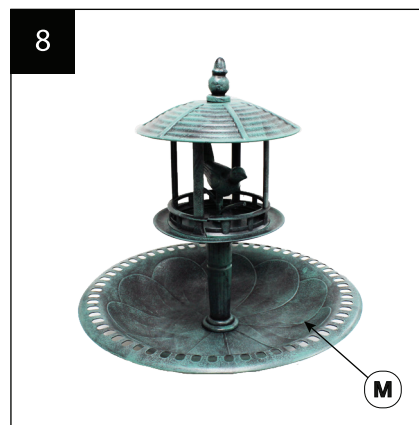

5
Fit the table support (assembled in step 3) to the underneath of feeding table using 3 x small screws (3).

6
Place the bird decoration in the centre of the feeding table.

7
Place the roof on top of the already assembled feeding table, put the top piece through the hole and secure with 1 x nut and washer (4) from underneath.

8
Secure the completed feeding table to the bird bath using 1 x bolt (2) and washer.

9
Screw the bird bath to the upper stem to complete the assembly of this bird bath. Place in desired location in your garden.
