

Product Name: Concentrate Screen Wash
Product Code: CONSW5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Concentrate Screen Wash offers superior cleaning performance and flexibility, making it the ideal choice for maintaining a crystal-clear windshield. Unlike ready-to-use products, the concentrated formula allows you to customise the dilution, providing stronger cleaning power for tougher dirt or a milder solution for regular use. This makes it more cost-effective, as one bottle can make multiple litres of cleaning solution. It's also more environmentally friendly, reducing packaging waste. With Concentrate Screen Wash, you get enhanced cleaning power, longer and greater control, ensuring optimal performance for all weather conditions and vehicle types.

Key Features:

Customisable Dilution: Mix to your desired strength, offering the flexibility to adjust for tough dirt or regular cleaning needs.

Crystal Clear Finish: Effectively removes dirt, grime, insect residue, and road stains, ensuring a streak-free, spotless windshield.

All-Season Performance: Provides reliable cleaning power in both cold and warm conditions, effective down to -5°C for winter use.

De-Icing Capabilities: Helps clear ice, frost, and road salt during winter, ensuring optimal visibility and safety.

Protects Wiper Blades: Reduces wear and tear on wiper blades by keeping the windshield free from harmful debris.

Universal Compatibility: Suitable for all vehicle types, including cars, lorries, motorcycles, and more. Can be used on both front and rear windshields, as well as headlights and other glass surfaces.

Property	Specification
Appearance	Blue Opaque Liquid
Odour	Mild
PH	-
Freezing Point	-
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

- Dilute the Concentrate Screen Wash according to the desired strength (refer to the packaging for dilution instructions).
- Pour the diluted solution into the vehicle's windshield washer reservoir.
- Ensure the cap is securely closed before use.
- Activate the windshield washer system to clean the glass surfaces.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.

KWRF-XATQ-V40K-9M4H

Concentrate Screen Wash is the perfect solution for those who want both flexibility and value without compromising on performance. By adjusting the dilution, you can tailor the solution to suit any cleaning task, whether it's for everyday use or tackling tough grime. This concentrated formula delivers superior cleaning efficiency, breaking down stubborn residue, road salt, and dirt effortlessly. Not only does it provide exceptional performance, but it also helps reduce environmental impact by minimizing packaging waste. Offering great value with the ability to make multiple liters from one bottle, Concentrate Screen Wash ensures your windshield stays clear and your wiper blades protected year-round.
