

Product Name: CHERRY SNOWFOAM 5L
Product Code: SNOW5L
Manufacturer: FlowChemuk
Country of Origin: United Kingdom

Cherry Snow Foam is the ultimate car cleaning solution, offering a luxurious and efficient wash that leaves your vehicle spotless and smelling amazing. Its high-foaming formula is designed to tackle tough dirt, road film, and everyday grime without compromising the integrity of your vehicle's paintwork. The rich foam effortlessly clings to the surface, lifting contaminants and reducing the risk of scratches and swirls during the wash. Infused with a long-lasting cherry fragrance, your car will not only look fresh but also smell delightful for hours. Whether you're a car enthusiast or a professional detailer, Cherry Snow Foam ensures an enjoyable, thorough, and safe cleaning experience that makes your car shine like new.

Key Features:

Luxurious Cherry Fragrance: Leaves a long-lasting, sweet cherry scent that freshens your vehicle after every wash.

High Foaming Action: Creates thick, stable foam that clings to surfaces, effectively lifting dirt and grime.

Gentle on Vehicle Paint: Safely removes contaminants without damaging paintwork, wax, or sealants, reducing the risk of scratches.

Reduces Contact Wash Scratches: The pre-wash foam helps break down and lift dirt, making contact washing safer and more efficient.

Versatile and Powerful: Suitable for all types of vehicles and effective in removing road film, dust, and everyday soiling.

Property	Specification
Appearance	Red Liquid
Odour	Characteristic
PH	13.4
Freezing Point	-
Shelf Life	2 Years (unopened)
Storage	Store in a cool, dry place, away from direct sunlight

Instructions for Use:

- Prepare the Dilution: Mix Cherry Snow Foam with water at a ratio of 1:10 (snow foam to water) or adjust according to your foam cannon or gun's specifications.
- Rinse Your Vehicle: Thoroughly rinse your vehicle, starting from the top and working your way down to remove loose dirt and debris.
- Apply Foam: Use a foam cannon or gun to apply the foam evenly across the vehicle's surface, ensuring full coverage.
- Let it Dwell: Allow the foam to sit for 5-10 minutes, giving it time to break down dirt and grime.
- Rinse Off: Use a high-pressure washer to rinse off the foam, starting at the top of the vehicle and working your way down.
- Dry the Vehicle: Dry your vehicle with a microfiber drying towel or chamois to avoid water spots.

Health and Safety:

Consult the material safety data sheet for advice on handling and safety procedures.

- Signal word (CLP) : Danger Hazardous ingredients : sodium hydroxide, caustic soda Hazard statements (CLP) : H314 - Causes severe skin burns and eye damage Precautionary statements (CLP) : P102 - Keep out of reach of children P260 - Do not breathe dust/fume/gas/mist/vapours/spray P264 - Wash ... thoroughly after handling P280 - Wear protective gloves/protective clothing/eye protection/face protection P301+P330+P331 - IF SWALLOWED: rinse mouth.
